## Easy on / Easy off

CE Directive 89/686/EEC  
(EN374, EN388, EN420:2003),  
ASTM D4679-02(2007), German  
Foodstuffs & Consumer Goods  
Act (Natural, Blue and Red  
colors), EC/1935/2004

DETAILED INFORMATION AVAILABLE UPON REQUEST

Name	Sizes	Length (mm)	Thickness(mm)	Colors
Easy on Easy off	7 - 7 1/2, 8 - 8 1/2, 9 - 9 1/2	300	0.45	BLUE

### Features & Benefits

- Anatomically shaped for comfort
- Anti-slip pattern for good grip in wet and dry conditions
- Pinked or Straight cuff
- Chlorinated for low Extractable proteins and residual chemicals
- Easy-on / easy-off
- Extra light weight for better sensitivity
- Blue colour in compliance with FDA & USDA regulations for use in repeated contact with food

### Applications

Canning & Food Processing, Electronics & Small Parts Assembly, Laboratories, Pharmaceutical Manufacturing, Poultry

For inquiries, call or email:

Tel : 376 4088 / 376 7201 Fax : 376 7020

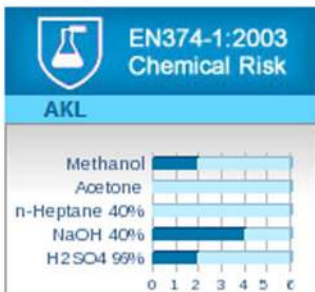

Email : sales.duralife@gmail.com

## Flock Lined

CE Directive 89/686/EEC  
(EN374, EN388, EN420:2003)  
ASTM D4679-02 (2007) German  
Foodstuffs & Consumer Goods  
Act (Yellow, Pink and Blue  
colours) EC/1935/2005

DETAILED INFORMATION AVAILABLE UPON REQUEST

Name	Sizes	Length (mm)	Thickness (mm)	Colors
Flock Lined	7 - 7 1/2, 8 - 8 1/2, 9 - 9 1/2	300	0.45	PINK

### Features & Benefits

- Anti-slip pattern for good grip in wet and dry conditions
- Anatomically shaped for comfort (Style 621U-52.30/CVH is Ambidextrous)
- Pure cotton flock lining to absorb perspiration
- Improved sensitivity and dexterity
- Pinked or straight cuff
- Bacteriostatic & Fungicidal Additives (Sanitized)

### Applications

Agriculture, Domestic Use, Kitchen, Cleaning & Gardening, Food Processing, Janitorial, Laboratories, Light Assembly, Pharmaceutical Manufacturing
